

LISA CONTRERAS
Financial Assistant

Lisa Contreras is a 2007 graduate of Louisiana State University's Manship School of Mass Communications, where she earned her bachelor's degree in Communications, with a concentration in Advertising. A minor in Business Administration both complemented her major and allowed Lisa to enhance her accounting skills. In addition to her other activities at LSU, Lisa spent a semester studying abroad in the British Isles, where she gained exposure to the issues and challenges of the global public relations industry.

After graduation, she worked in the corporate headquarters accounting department of King Ranch, Inc. While at King Ranch, Lisa learned the ins and outs of accounting and executive support at one of the oldest, most historic companies in Texas. This experience fully prepared her to become a great addition to Dini Partners' financial team.

Lisa is a native Houstonian, who enjoys traveling at every opportunity. While at home, she spends much of her free time outdoors or working on art projects.
