

NORTON M. RAINEY JR.
Senior Consultant

Norton Rainey is a leader in Colorado's philanthropic community, having spent 25 of his 34 years in the nonprofit sector working in Denver and the Colorado Front Range.

Norton has, over the years, counseled a number of nonprofits in the community and as a result, he has experienced first-hand many of the challenges that his clients face everyday. Among his particular accomplishments, he cites his work in identifying and recruiting the trustees for the Boy Scouts of America, Denver Area Council, and in helping to build the Council's endowment from \$70,000 to more than \$20 million. This work, along with many years of participation in major capital campaigns, has given Norton extensive experience in the relational fundraising model that is so much a part of Dini Partners capital campaign practice.

Norton's dedication to service extends to his personal life as well. He is a founding board member of the Abundant Grace Fellowship church in Wheat Ridge, Colorado, where he has both educational and pastoral responsibilities.
