

Sarah Schaefer
Consulting Projects Manager

Sarah brings to Dini Partners a wealth of knowledge and experience in relationship building, event planning and management, and client service. After graduating from Baylor University's Hankamer School of Business, Sarah joined the Houston Texans' corporate development team and, later, a major event production and management company based in The Woodlands, Texas. Through these diverse experiences, she collaborated with a wide variety of nonprofit and for-profit institutions to build relationships, further goals, and maximize success through events. Clients value Sarah's organization, planning, keen eye for detail, and "can-do" approach to each and every project. A steady hand that sees opportunities where others see obstacles, Sarah is a valued resource for each client service team.

In her free time, Sarah is an avid runner and has completed four marathons. She is a member of the Junior League of Houston, volunteers at St. Anne Catholic Church, and serves on the board of the Baylor University Women's Association of Houston.
